Bhawna Agarwal

EDUCATION

University of Michigan, Ann Arbor
Masters in Information,
Human Computer Interaction
Expected graduation: Dec 2020

IIT Guwahati, India
Bachelor of Design with Minor in
Computer Science (2011 - 2015)

SKILLS

**UX Research
and Design**
Contexual Inquiry
User Interviews
Affinity Analysis
Persona Building
Writing Job Stories
Info. Architecture
Comp. Analysis
Heuristic Evaluation
Usability Testing
Wireframing
Visual/UI Design
Prototyping
UX Writing
Storytelling

Software
Figma
Sketch
Principle
Invision
Adobe Photoshop
Adobe Illustrator
Adobe InDesign
Tableau

Coding
HTML/ CSS
Javascript
jQuery
Python
Altair

INTERESTS

Information Visualization
Designing productivity tools
Accessibility

INDUSTRY EXPERIENCE

Wish | Product Designer | Internship | May'20 - Present
• Designed and shipped features for the Wish Local mobile app
• Created user flows, information architecture, job stories, wireframes, visual
  assets, high fidelity mocks, prototypes and remote usability testing plan

Microsoft | UX Designer | Full time | Apr'18 - Jul'19
• Sole designer for Microsoft's Azure Backup product
• Collaborated with 10+ product managers over multiple projects to deliver
  experiences for the existing Azure Backup service
• Owned the design and delivered end to end experiences for Backup Center
  in close collaboration with Azure UX team

Postman | UX Designer | Full time | Jun'16 - Dec'17
• Reported directly to the CEO and wore multiple hats as part of a small,
  tight-knit team spanning across two continents (India and US)
• Designed and shipped several key experiences for the app
• Actively engaged in customer support through github, twitter and zendesk
• Documented and presented design decisions as part of weekly demo days
• Wrote UX copy and blog posts on the Postman blog

HCII, Carnegie Mellon University | UX Design Intern | May - Jul'14
Worked on supporting synthesis of diverse information sources through
crowdsourced outlines. Performed literature reviews, created mocks and
designed experiments on Amazon Mechanical Turk.

Bosch | UX Designer | Internship | May - Jul'13
Delivered high fidelity screens for BODAS-Visual DC Configurator. Worked
on design iterations based on findings of the user testing.

ACCOMPLISHMENTS
